## CELESTIAL CONVERSATIONS™ WORKSHOP

With Author Lo Anne Mayer

Saturday, November 4th

10 AM—3 PM

One morning Lo Anne Mayer wrote a letter to her mother, who had died a year earlier. Despondent over the strained relationship they had endured in life, she started the journal because she still longed for healing. So began a remarkable soul-to-soul correspondence that restored their bond. When her own daughter died, Mayer started a new journal that soothed her grief. Now she shares her story and simple technique with bereaved people everywhere.

This workshop focuses on teaching the participants how to use transpersonal journaling to heal unfinished business with loved-ones who have died. Prayer, meditation and journaling allow each person to focus on what they need to release their own barriers to forgiveness that might be holding them back from living life more fully.
